LARRY LLOYD

GOOD AFTERNOON and welcome to Springfield Park for our first home League match of the season. A welcome also to Sheffield United and particularly their manager, Ian Porterfield, who has already made a name for himself as a manager with Rotherham United, and who now has the task of rebuilding the team at Bramall Lane.

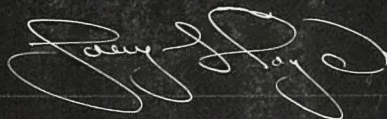

Last Saturday's draw at Valley Parade, Bradford, both pleased and displeased me at one and the same time. Having gained a two-goal advantage, we then, because of two defensive lapses, proceeded to squander a possible three points and eventually ended up with just one point for our efforts. I was delighted to see us scoring goals, since scoring goals is not always easy, but, if I had been one of the scorers, I would have been rather upset at the way we lost our advantage.

Against Stockport County in the Football League Cup, on Monday evening, we again scored three goals, and, this time, with the defence looking as solid as ever, I was a little happier. There are, however, still one or two departments of the team, and one or two aspects of our play, on which we need to work.

On a personal note, I was delighted to score my first goal for Wigan Athletic, especially with it being scored at Springfield Park. My advice to you is that you should "stick around; there's plenty more where that came from!"

Enjoy the game.

Best Wishes,
Larry Lloyd.

BLADES DISAPPOINT

SHEFFIELD United's first bid to turn the corner back to successful days failed when they were pipped by Second Division Grimsby Town in their section of the pre-season Group Cup ties.

The Blades, who come to Springfield Park today, won their opening game against Doncaster Rovers (2-1) but they then lost to Grimsby Town (0-2) before finishing with a 1-1 draw at Chesterfield. Being the only Fourth Division side in their section, the Blades at least had the consolation of finishing second:

	P	W	D	L	F	A	Pts
Grimsby Town	3	3	0	0	5	0	9
Sheffield United	3	1	1	1	3	4	4
Doncaster R.	3	1	0	2	3	4	3
Chesterfield	3	0	1	2	1	4	1

Two Fourth Division sides did make it through to the quarter-finals. Bradford City won all three games in their group whilst Peterborough United dropped only one point in their section. "The Posh" also gained two bonus points for scoring three goals against both Notts County and Lincoln City.

The draw for the quarter-finals, to be played on a straight one-match knockout basis on 7th December is:

Burnley v Watford
Bradford City v Shrewsbury Town
Peterborough United v Wimbledon
Newport County v Grimsby Town

It was a good start for Bradford City player-manager Roy McFarland, particularly their concluding 3-0 victory over Second Division Rotherham United whose player-manager is another former England star — Emlyn Hughes. All Bradford's goals against Rotherham came in a purple ten-minute spell mid-way through the second half, from Bobby Campbell, John Black and Barry Gallagher.

Campbell scored in two of their three ties and looks set to emulate last season's performance when he topped the scoring list at Valley Parade with 22 goals. Yet there was some uncertainty about his position at the beginning of last season when then-manager George Mulhall warned Campbell that he would have to put in more effort or be placed on the transfer list.

The turnabout in his career came when he scored the goal that defeated mighty Liverpool in a League Cup tie in August, 1980. Though City were well beaten at Anfield in the second-leg, that performance inspired Campbell who began hitting the target regularly throughout the campaign.

Peterborough United's scoring double act of Robbie Cooke and Billy Kellock were much in evidence in the Posh's successful Group Cup venture. Cooke, top scorer with 28 goals last season, scored once at Norwich and twice against Notts County. Kellock got off the mark with a penalty against Lincoln City. He netted 14 times last season.

The thing about this pair is that they both got a second crack in League soccer after being thrown on the scrapheap. Cooke was released by Mansfield Town after making only seven full League appearances for the club. He joined non-League Grantham and it was from them that he signed for Peterborough for £12,000 just over a year ago. He certainly grabbed his second chance with both feet!!

The same can be said of Kellock who had previously tried his luck with Cardiff, Norwich and Millwall. He started his come-back with Kettering and, after moving to Peterborough for £33,000 in 1979, topped the club's scoring list with 23 in his first season.

COMING SHORTLY

NORTHAMPTON TOWN FOOTBALL CLUB

NORTHAMPTON TOWN Football Club was founded in 1897, turned professional in 1901, the year in which the club became a limited company. It was some twenty years, however, before the club became an original member of the Third Division of the Football League, in 1920. During the period 1921 to 1958 "Cobblers" performed steadily and consistently at Third Division level and enjoyed a period of involvement with the Fourth Division between 1958 and 1961. Then things really began to happen down at the County Ground.

Twice in seasons 1927-1928 and 1949-1950, the "Cobblers" had finished runners-up in the old Third Division (South), but other than occasional sallies into the Fifth Round of the F.A. Cup, moments of delight and glory were few and far between. Between 1961 and 1965, however, Northampton Town rocketed from the Fourth Division to the First Division of the Football League, as goals and points were acquired by a succession of talented players urged on by a fanatical following that revelled in the fairy-tale story of success. As if to emphasise the magnificence of the club's achievement, fate then conspired, just as rapidly, between 1966 and 1968, to send Northampton Town plummeting back into the Fourth Division, where, but for one brief season in 1976-1977, they have remained ever since. The shock of so rapid a demotion, after so dramatic a promotion, must have been very hard to bear for the club's hard working directors and management and the loyal supporters. Today, as the star of the Northants. County Cricket Club shines brightly over the County ground, the battle to regain former status goes on for those burdened with the task of providing League Soccer for Northampton Town enthusiasts.

For those interested in statistics, we provide the following information:

The County Ground is situated in Abington Avenue, and has a capacity of 20,000, with 1,959 seats. The record attendance recorded was the 24,523 spectators who attended the game against Fulham, in Football League Division 1, on 23rd April, 1966. Record receipts of £17,438 were taken for a game against Manchester United. Pitch measurements are 120 yards x 75 yards.

The club's record victory, 10-0, was recorded against Walsall in a Third Division (South) game, played, appropriately enough, on the 5th November, 1927. To balance this, the club's record defeat was 0-10, against Bouremouth, in a Third Division (South) game, played on 2nd September, 1939.

Over the past two seasons, Northampton Town Football Club have been gathering their strength for another attempt to gain promotion to a higher level, and should provide excellent opposition in the game to be played at Springfield Park in the near future.

IN THE past few weeks I have received notification of a couple of new schemes being operated by the Football League which you may have read about in the press. The first is the Associate Members' Floodlit Competition (now there's a name that rolls off the tongue). As you may or may not know, the Football League is divided into Members (i.e. 1st and 2nd Division Clubs) and Associate Members (i.e. the rest of us in the 3rd and 4th Divisions) and this competition is aimed at staging exciting and money making fixtures after most of us are out of the running for the F.A. Cup. The clubs will be divided into a Northern Section and a Southern Section, with the winners of each meeting in a final on Saturday, 5th June, possibly at Wembley. The dates of the rounds are on or around the following dates:

Round 1	17th February
Round 2	21st April (all dates)
Round 3	12th May
Quarter Finals	19th May
Semi Finals	2nd June 1982
Final	5th June

There is only one match in each round, with 30 minutes extra time and then penalties to decide the winner. A couple of points of interest are that two substitutes are allowed in each game and penalty points acquired by players

booked or sent off will **not** count towards the club's total for the year, but they will affect the player's individual total. Even so, we may all have to go to Wembley three times this year, and whilst we are there, there'll be plenty of Pepsi Cola to drink because that Company has now launched the "Pepsi Golden Goals Campaign". Each month, the club in each division with the most points receives £1,000 (£250 of which should go to charity) with points being awarded for each Home Goal and two points for each away. (Yes, that's right we're top so far!) £5,000 and a trophy go to the season's overall winners in each division. £1,000 also goes to the player with the most points in each division at the end of the season and £5,000 goes to any player scoring 35 league goals.

Here's hoping we pick up the A.M.F.C. Trophy and a few Pepsi Awards on the way — but perhaps it should be noted that if the Pepsi scheme was in operation last season, Leicester would have won it one month and look what happened to them. As, for me, I'm keeping an optimistic eye on the Bells Manager of the Month, because I know Larry Lloyd isn't fond of whisky!!

Cheers. Colin Burke Secretary

THE LOCAL VIEW

by Harold Ashurst

WITH THE amateur leagues in the area now getting into the groove and the schools reporting back this week there is a lot happening on the local soccer front and already trophies have been decided.

Oddfellows had one of the biggest wins ever on Sunday when they thrashed Plough 4-0 in the final of the Post and Chronicle Sunday Soccer League 7-a-side competition. Plough had only six men throughout the tournament so just to get to the final was a magnificent feat. Goose Green's Mark Abbott suffered a tragedy in the same competition when he was carried off the field with a broken ankle.

Referees in the Post Sunday League should be feeling happier — their fees have been increased to £4.

The dispute in this league between Aspull and Balcarres has now been settled.

Last week the Lancashire Football Association suggested a meeting between the two parties in a bid to solve the row that has led to them being refused admission to the League.

They did meet and have decided to carry on in the name of Aspull Victoria and with that the League decided to reinstate Victoria to Division One.

Condolences go out to Wigan

Amateur League General Secretary Mike Taylor whose father died last week. Norman Taylor was a former auditor with the Wigan Amateur League and like his son, was mad keen on local soccer. He died in hospital on Friday and the funeral took place last Tuesday.

Richard Mason joined a select band when he played his 300th game for Bethel in the Amateur League recently.

To mark the achievement he was presented with a memento by team manager Stephen Rollins — himself a member of the exclusive "300 club".

The Amateur League have agreed to postpone a forthcoming game next month because of a wedding.

Orrell Celtic's Phillip Knight ties the knot on October 3 but the reason for the cancellation of the game is that the team manager and secretary have been invited to the ceremony. They should be because they are Phillip's Dad and Mum Eddie and Eileen.

Garswood United are the only club with a 100 per cent record in the first division of the Liverpool and District Combination following their recent 2-1 away win at Cardinal Allen, and are early favourites for the championship honours.

MONEY MATTERS

THINGS HAVE certainly been happening down at Springfield Park since the last issue of our programme. As far as the Commercial Department goes, the most noteworthy item is the decision of Baldwin Timberlake Limited to accept a package that includes shirt advertising, ground advertising, programme advertising and match sponsorship, in return for a consideration greater than any other previously negotiated on behalf of the Football Club. Due to the requirements of Football Association legislation, it may be a week or two before you see our players running out onto the park with the word **BALDWINS** emblazoned across the chests of their shirts. We would like to place on record our sincere appreciation to the directors and management of Baldwin Timberlake Limited, of Wallgate, Wigan, a go-ahead local company known not only as a principal British Leyland Distributor, but also as stockists of a large selection of quality used cars, in addition to providing Unipart, servicing, workshop and Budget Rental facilities. We look forward to a long and happy association with this company. Furthermore, we have been informed, though no details are yet available, that Mr. Charlton, our director, has successfully negotiated an agreement with another company that involves playing kit and finance being provided to the Football Club. Certainly, support of this kind, at

a time when the recession being experienced by the country has not yet bottomed out, is much appreciated and augurs well for the future.

I would like to express my appreciation to all those people who have been kind enough to offer comments about our new-style programme. Obviously, there have been one or two criticisms made, but of a constructive nature, and, given a little time to iron out our teething problems, I am sure that in each issue we will be able to provide our regular readers with an informative and up-to-date commentary on the club's activities and matters of general interest to all local soccer followers. While we are dealing with the matter of programmes, can I again draw your attention to the fact that we arrange collection of a limited number of programmes for each competitive away game played by our first team. These away programmes are available within 72 hours of the game having been played, and are sold strictly on a first come, first served basis. We would point out that we can sell 100 such copies very quickly, so, to avoid disappointment, please purchase early. A ten pence charge, over and above the cover price, is charged to meet cost of collection etc. It is also possible to obtain copies of programmes exchanged with other Football League clubs at the Programme Centre, which is open before, during, and after every first team home game.

Our appreciation of the involvement in today's game by our sponsor — **THE ELECTRIC SHOP (MICRON)** — and our match ball donor — **MR. T.H. BLEASDALE** — is again recorded in the Statistics Section (page 28) of this programme. Any assistance that any supporter can give to the recruitment of match sponsors, ball donors, or advertisers in general, would be greatly welcomed at this moment in time.

Enjoy today's game against one of the country's leading Football League clubs,

All best wishes,
Jack Sudworth,
Commercial Manager.

WELL it looks like a good start to the 1981/2 campaign.

The first team have got off to a good start with the valuable point at Bradford and the great League Cup victory over Stockport in the first leg on Bank Holiday Monday.

Meanwhile in the Reserves we were delighted to get back to Saturday football with a good 1-0 home win over Port Vale in the Lancashire League. The Youth team also proved successful by notching up a 4-3 win over Crewe Alexandra with two good goals from young Mark Shaw who I know is rated highly by Fred Eyre.

So far as the Reserves are concerned I was particularly pleased with the attitude of the Senior "pros", who were a credit to themselves and to the club and Neil Davids would never forgive me if I didn't mention that it was his well-taken goal that eventually proved the difference between

the two teams.

The youngsters in the team also impressed and we really should have won more convincingly with Mark Edwards hitting the post and "Pop" Freeman failing to convert our first penalty of the season.

However I feel all spectators present would agree with me that Reserve team football at Springfield Park this season promises to be good entertainment and I hope that the fair crowd we had on Saturday will increase as the season progresses. I will endeavour to have the fixtures advertised well in advance in the local papers. In the meantime please make a note in your diaries that the UMBRO floodlight League fixtures commence at home with a match against Port Vale on Tuesday the 15th September and our next home league game is on Saturday the 12th September against Altrincham.

THIS afternoon we have the privilege of entertaining one of soccer's most distinguished clubs — Sheffield United Football Club. Almost 100 years old, Sheffield United have in a long and notable history experienced all the joys and heartaches that are associated with our national game. This year, however, the stalwarts of Bramall Lane are destined to come to grips with life as it is lived in the lower reaches of the Football League. For a club whose rightful place should be in the First Division, the tragedy of last year's relegation must be a very bitter pill to swallow. Such, however, is the contrary nature of fortune that even the mighty

are sometimes brought low and forced to regather their strength before rising yet again to their true status in life.

We would like to offer a particularly warm welcome to all sections of "The Blades" support, whether our visitors be directors, management, staff or loyal fans. Rivalry between Lancashire and Yorkshire clubs, at Fourth Division level, is particularly fierce and uncompromising. We look forward to a very competitive game which we hope will be played in a hard but sporting fashion. The Sheffield United Football Club is already being tipped by the experts for a quick return to the Third Division, and we trust the quality of our

football in the coming season will be sufficient to earn us promotion, after nearly three seasons in the past three seasons.

We are looking forward to our return game, to a magnificent Bramall Lane on the 9th January, with 15,000 seats available. There is no doubt that Sheffield United has the best facilities for a club at Fourth Division level, and that it can only be a matter of time before Ian Porterfield and his team to grace the setting.

D UNITED

PERSONALITIES

IAN PORTERFIELD (Manager) Ian joined Bramall Lane in the early part of June 1981 from Rotherham United and, apart from his achievements in gaining Rotherham United promotion to the Second Division at the end of season 1980/81, he will be remembered more for his match winning goal for Sunderland in the 1972/73 Cup Final victory over Leeds United. Ian started his professional career with Raith Rovers but eventually moved on to Roker Park, where he gave sterling service. Whilst at Sunderland Ian suffered a most severe car accident sustaining a fractured skull and displaying his immense character by overcoming this accident and after a period of rehabilitation joined our City neighbours, Sheffield Wednesday. From there he joined Rotherham United as Manager and after a very difficult start his total commitment and dedication to the professional game, and making very good use of the transfer market, produced a side at Millmoor that were the Champions. He is now expected to launch a revival of "The Blades".

KEITH WAUGH (Goalkeeper) Sunderland born Keith has joined "The Blades" from Peterborough United. This well-built keeper is expected to strengthen an already capable defence.

PAUL GARNER (Defence) Born Doncaster. Paul established himself in the Huddersfield team in the early seventies, before joining Sheffield United in 1979. Two years later he was in a car crash and missed almost a complete season. Of recent times Paul has occupied the left full back or left mid-field position and in his earlier days with the Blades, deputised several times as team captain.

TONY KENWORTHY (Defender) Tony came up through the juniors, signed apprentice professional in April 1975 after playing for Leeds and Yorkshire Schoolboys. Has captained the England Youth International Team, and during last season celebrated his 150th league appearance for the Blades.

JOHN MACPHAIL (Defender) Born Dundee. John established himself as a regular member of Dundee's Scottish League XI for three years and Sheffield United had to pay £30,000 for his transfer in season 1978/79. Strong, versatile player with plenty of enthusiasm and confidence.

JOHN RYAN (Defender) Born London. Versatile, John can play in several positions. He made his way into League Soccer with Fulham in 1976 via Tonbridge and Arsenal. He was freed in 1969 when he signed for Luton and he became a fixture in their side until his transfer to Norwich in 1976. Prior to joining the Blades last season he enjoyed a spell in the North

American Soccer League with Seattle Sounders.

LES TIBBOTT (Defender) Born Oswestry. Normally a full back Les has turned out on several occasions for the Blades in a Mid-field position. A Welsh under 21 International Les opened his League career with Ipswich in 1976/76 and joined the Blades on the 27th March 1979 for a six figure fee.

MIKE TRUSSON (Mid-field) Born Northolt. Mike made his senior bow for Plymouth Argyle soon after turning professional with them in January 1977 and joined the Blades prior to the start of the season 1980/81. After over 70 appearances for the West Country side.

STEVE CHARLES (Mid-field) Born Sheffield. Steve joined the Blades in January 1980 on his return from Columbia State University in the U.S.A. where he was studying for a degree in mathematics. Steve is a tireless and hard working mid-field player who has accustomed himself to combining a professional football career and continued studies at Sheffield University.

BOB HATTON (Forward) Born Hull. Bob, who has been a prolific goal scorer throughout his career is continuing in the same vein with the Blades following his transfer from Luton Town prior to the commencement of last season. He made his early league appearances with Wolves and was transferred to Bolton for £30,000 in 1967. He spent a brief period with Northampton Town before signing for Carlisle United in 1969. Two years later they sold him to Birmingham for an £85,000 Blues Club record fee. After twice topping their list he went to Blackpool for £50,000 in 1976 a chart topper for the Tangerines too, he moved on again in 1978 to Luton Town.

STEVE NEVILLE (Forward) Born London. Steve began his league career with Southampton in 1977/78 and moved on to Exeter City the following season. Having played against the Blades on a week previous he joined them for a reputed £80,000 fee and scored on his debut at Millwall in a convincing 4-1 win.

TRENTON WIGGAN (Forward) Another player to develop through the Youth system. Trenton signed professional in the summer of 1980 and made a number of appearances during the last campaign.

JOHN McALLE (Defender) Recently acquired from Wolves, for whom he made over 400 Football League appearances, this strong, experienced defender is expected to tighten things up at the back for "The Blades".

OUT & ABOUT

WITH CHRIS GILL

MANY people often query how reports of Wigan Athletic matches, played out and about the country, are collected so quickly for publication in the Football Pink just after 5 p.m. It is quite simply that I glue a telephone to an ear for 90 minutes and probably bore the pants off some pretty, non-understanding typist at the other end of the 'phone with my account of the match. Apart from minor problems, such as the telephone being out of order, or simply not available, the work of art can usually be put together without too much difficulty. That is . . . most of the time!!

On one occasion, at Port Vale, yours truly was squashed up alongside two females in the corner of what can be loosely termed a Press Box, but where everyone and anyone tends to congregate. After a particular Vale player had completed a nasty tackle on a Latics player, I dutifully painted a less than rosy picture of his misdemeanour . . . and received a huge scowl from the woman next to me. She was later identified as THAT player's mother . . . Oops!

Another difficulty encountered occasionally is establishing just who did what in a split second, or thereabouts, and

there are occasions when that is much easier said than done. Getting a fact wrong, especially when every other fan on the ground got it right, is a journalist's greatest fear. It happens to everyone at some time, and my tale of woe occurred at Bournemouth's Dean Court ground a couple of seasons ago. I was positioned in a spot in the Press Box in the space usually reserved for visiting press men — behind a blooming great big pillar — that obscured one of the goals completely. Suddenly the home side hit back through an own goal. "A Fretwell own goal" the home hacks chorused unanimously, and the fact was immediately recorded. Afterwards it was discovered that it was not Dave who had netted, but Joe Hinnigan, and off went the locals in time to correct their mistake, but leaving me with a red face. Still, when Dave Fretwell found out he did not mind the error, and it certainly cheered big Joe up no end!

Those of you who travelled to Bradford last weekend would have seen Larry Lloyd's "Last Tango at Valley Parade" with Roy McFarland. For those of you who didn't, it brought warm applause, plus two 5.8's and a 5.9 from three wags in the crowd!

OPENING NIGHT GET TOGETHER

WELL, we are almost there, on Monday evening at 6.45 p.m. in the Wigan Athletic Supporters' Club the FIRST meeting of the 'JUNIOR LATICS' takes place and what a meeting it promises to be. Bobby Charlton, O.B.E., Mr. Freddy Pye, Larry Lloyd, Fred Eyre, Ken Banks and members of the playing staff will be there to talk, answer your questions and sign autographs.

We are also holding a grand raffle with lots of prizes.

Members will be able to buy items from the souvenir stall at a discount of 10%.

We will also be taking names for the mascot scheme as well as for the 'Junior Latics' under 12's football squad.

So all in all it is going to be a night to remember for all 'Junior Latics' members and don't forget you can bring along a friend, BOY or GIRL, because they can join on the night providing they bring their enrolment fee of £1.50.

Curtain Raiser

We have been extremely lucky to have had last season's Primary League Champions, Wigan Central, playing in both our Curtain Raisers. They and their opponents, Hindley in the first game and Christ Church, Bolton in the second game, have impressed us with their skill and commitment and the Committee of the 'Junior Latics' wish to thank all three teams and their officials for all the effort.

We hope that any future games staged will be under the name of 'Junior Latics' and that any boys playing for the team will be wearing the blue and white of Wigan Athletic.

Matchday Mascot

Today's Mascot is Darren Walsh.

He is 11 years old and attends Rose Bridge High School.

Darren says he likes all sport but his main interest is soccer at which he captained his school team last season, scoring 22 goals.

His favourite players are Kevin Keegan and Trevor Francis and his ambition is to play for England.

IN APPRECIATION

The Wigan Athletic Football Club would like to express its appreciation to THE ELECTRIC SHOP (MICRON), for their generosity in sponsoring today's game against Sheffield United. This locally-based company, under the guidance of our old friend, John Oakes, takes a very active interest in our club and has carried out many first class jobs on our behalf in the past. Currently setting quite a pace in the field of video sales and hire services, Micron would like to draw attention to their attractive list of titles in stock, covering sport, action and horror movies. For as little as £1.50 a night, your local Tandy store offers you generous rental terms on video films, Please support this company, which has done so much to help our club.

We again welcome the kind support offered in terms of a match ball donation by Mr. T.H. Bleasdale who provides a business and income tax consultancy. Tom, a keen supporter, can always be relied upon to assist the club when the need arises. He wishes us to adopt as our slogan for the coming season "Division Three — Here we come".

Comment

FROM THE CHAIR

THE CHAIRMAN has invited me to write the article in his personal column this week, and it would be very remiss of me, if I did not commence by welcoming to Springfield Park, for their first ever visit, the Chairman, directors, manager and team of the Sheffield United Football Club.

At the Annual General Meeting on Wednesday last, the Chairman, on behalf of the Board, presented me with a watch for services rendered to the club over the past fifty years, and that gave me great satisfaction, not just to receive a valuable watch, but to know that my life service to the game (Wigan Athletic in particular), has been appreciated by the present Board.

As the Chairman pointed out at the meeting, I have served in every official position in the Wigan Athletic Football Club, Chairman, Vice Chairman, Secretary, Supporters' Club Financial Secretary, and now a new position recently created for me — Assistant Secretary. I might add, way back in 1932, I played for the second team at

Darwen, when one lad failed to turn up. I have had a limp ever since!! The only time I have been away from Springfield Park was during the war years, when I was forced to serve six years in the Royal Air Force. During that time my father acted as Secretary.

I have seen many ups and downs — mostly downs — especially in non-league football. I well remember just after the war, when we were trying to get the club going again — one of our first games was at Oldham. We hired an old coach with wooden seats for cheapness, and invited passengers at 3/6d. a time. The demand for seats was so great, that Arthur Horrocks and myself stood up all the way to Oldham, but what we collected from passengers helped to pay wages, which we made up in the Oldham Boardroom.

Our first game that year was at Runcorn, and this game changed our colours from Red and White to Blue. To get shirts, we had to collect clothing coupons and the supplier was only able to supply the shirts in blue — from then on we have played in that colour.

I could go on and on, but it would more than fill the programme.

Enjoy the game,

John H. Farrimond

Jack Farrimond.
